President's Message

By Glen McEwen

For those of you who did not make it to the crab feast a few weeks ago, you missed out on a lot of good food, music, and fun times. The Social Committee did a fantastic job of planning the event, and everything turned out to be great. Please keep this in mind for next year's crab feast and plan on attending.

The summer is coming to a close, and I am sorry to see it end. It is a good time to remember the fun we had at the pool with our families and friends as well as look ahead to upcoming events. The Social Committee events such as the pool opening, 4th of July picnic (thanks again to Craig Zucker), pool closing parties, happy hours, and other gatherings were a huge success and brought us together as a community. The Tanterra Swim and Dive teams had a great season as well. The tennis courts, pickleball courts, and hockey rink received a lot of use this summer.

Tanterra has a lot to offer, and we should be proud of our neighborhood! For those who are not aware, we

had a sewer issue at the pool this summer. The sewer became clogged, and a plumber was called to rectify. They tried to correct the problem but could not. Upon further investigation, it required a backhoe to dig up the line and took a few days. It was discovered that there was a septic tank for the pool's use. No one previously knew of the septic system, even the original board members and pool committee members that we contacted. We made temporary provisions to get us through the summer but will need to determine the extent of the system and what will be required as a permanent fix.

As for upcoming events, we have our annual meeting in November at Greenwood with the specific date to be determined. We would like to have everyone's input on the neighborhood's issues so please plan on attending.

Also, the end of summer means that school has started. Many of our children walk to and from school along Heritage Hills Drive. There have been

reports of speeding on this road as well as on Queen Elizabeth. Please slow down to keep our children safe. Parking on the sidewalks is illegal and forces children to walk in the street to get around the cars. This, coupled with the speeding, leads to a very dangerous situation.

While there are social media sites with "Tanterra" in their name, these are not official Tanterra websites and may or may not accurately reflect items of concern to the neighborhood and could be expressing opinions, not facts. Please visit the Tanterra website, the Tanterra Today newsletter, or contact one of the board members to obtain accurate information if you have any questions regarding the neighborhood.

New Neighbors Join Tanterra

Welcome Shane and Becky Clemmer on Heritage Hills Drive, and David Hyden on Tanterra Way.

If you have new neighbors or new additions to your family, please email brookemarshall@live.com. Also, contact us if you are new to Tanterra and have not been contacted by the Welcome Committee. The HOA has a small gift for each new homeowner.

Architectural Updates

State of the Neighborhood

We have had an influx of new homeowners within our community over the last few years. Our community has come a long way from 50 years ago when our houses were new. During the mid to late 1990's, our community had many issues with the upkeep of maintenance, condition of the houses, and most importantly curb appeal. At that time, our community was not what you see today as a number of houses were in disrepair and messy. House values were falling behind other neighborhoods. Additionally, houses for sale were taking much longer to sell compared to other communities.

The Tanterra HOA in the late 90's decided to revive the involvement of the Architectural Committee. At that time, numerous homeowners volunteered and were placed on a committee, which was assigned the task of putting in place some ideas on what the HOA wanted to see improved on a moving forward basis. Since that time with a plan in place for annual house inspections and notification to homeowners, a major transfor-

mation has occurred. Our community is unique within the Brookeville/Olney area. If you take the time to drive through the neighborhood and compare it to those of the same age, we believe you will agree that we have a development that you can be proud to call your home. In the last few years, our homes are selling quickly at a much higher value, equal to if not greater to surrounding communities. A great accomplishment when you consider that we were behind other communities. Today, more and more homeowners are doing the necessary maintenance, cleanup etc., without having to be told by the Architectural Committee during its annual inspections.

We know that your home is a significant investment. The goal of the Architectural Committee is to keep your value rising. We encourage you as homeowners to get involved to keep your values rising and have a neighborhood that is inviting and makes you proud. We know our Tanterra Pool is an asset in many ways, but we think you'll agree that if the neighborhood is not kept up the value of your house will be affected.

Every year we elect new members to the Tanterra Board of Directors. As a homeowner, you should not sit back and instead get involved to ensure those who represent you have your same concerns and understand the type of neighborhood you want to live in.

Architectural Requests

PLEASE DO NOT BE THE HOMEOWNER THAT HAS TO SPEND MONEY AND REDO WORK THAT WAS NOT APPROVED ON THEIR HOUSE. Knowing that we have many new homeowners, I purposely remind everyone in the multiple issues of the newsletter that any work on the outside needs approval as stated in our covenants and bylaws. We do this as the last thing we want is for a homeowner to spend money, do the work and find out that what they did we do not allow. The Bylaws and Covenants are very clear that it is the responsibility of the homeowner that they must get an approval prior to working on the outside of the house. We, on the committee, feel terrible when work has been completed that has not been approved. It causes the homeowner to

spend money to redo. If you see a neighbor doing work on the outside of the house, please ask them if they put in a request to the Architectural Committee.

The process is easy to do and the turnaround by the committee is usually very quick. Remember to complete the Architectural Change Request for any work being done on the outside of your house. This includes window, door replacement, staining your house, driveway expansion, shingles, gutters, sheds, fences, solar panels, etc. just to name a few of the items. You can get this form on the Tanterra website: www.tanterra.com. You can even call me or email Hank Griffith at (240) 461-7536 or skayhank@comcast.net and I can usually provide an idea on what you want to do. We want to make this process as easy as possible.

Staining/Painting

Keep in mind Tanterra homes do not have paint. Instead, they have a stain. Many homes were done with a latex stain and others used an oil base (most were with latex). It is important before doing anything to

Architectural Updates

understand which was done beforehand. We approve stain on Tanterra homes only. **NO GLOSS FINISH IS ALLOWED.** Even if staining the same color, you must submit an Architectural Request prior to starting work.

A Message from your Social Committee Chairperson

Where did the time go?

It seems as if summer just began, and here we are, already at the end of the season! We have enjoyed some great activities this summer, including the opening and closing hot dog parties, Independence Day, the Line Dancing Party, Havana Night, the Crab Feast, and popular Family Happy Hours!

Despite the mishap with the sewage system which caused a brief closure of the pool, we were able to spend some quality time with friends and family. These awesome events would not have been possible without the amazing Tanterra community and all of the folks who donate their time to plan, organize, and run these events (you know who you are)! I could not have pulled it off without you, and I would like to sincerely thank all of those who assisted in this endeavor! Stand up and take a bow for a job well done!

I look forward to working with you all again next summer, but in the meantime, enjoy a safe and happy off season. See you next summer...poolside!

TANTERRA HOMEOWNERS ASSOCIATION
BOARD MEETING MINUTES
May 15, 2019

FINAL – Approved 7/17/19

Board members in attendance:

<input checked="" type="checkbox"/> Glen McEwen	<input checked="" type="checkbox"/> Jim Cagley
<input type="checkbox"/> Wayne Johnson	<input type="checkbox"/> Aleka Kapatou
<input type="checkbox"/> Jim Frye	<input checked="" type="checkbox"/> Erwin Hesse
<input type="checkbox"/> Richard Bertin	<input checked="" type="checkbox"/> Glenn Wasik
<input checked="" type="checkbox"/> Dave Bouve	

Others present: Elizabeth Bialas (HOA Clerk), Jacquie Weed (Social Committee), Ted Karp and Hank & Kay Griffith (Architectural Committee), Carolyn Reiss (Tanterra Today), Peter Szwec (Grounds Committee)

Guests included: Ten Homeowners who signed circulated attendance sheet.

The Tanterra Homeowners Association monthly Board meeting was called to order at 7:33 pm by President Glen McEwen.

Introduction

Following introductory remarks by President McEwen, Board business proceeded in accordance with the agenda distributed.

Minutes

Glenn Wasik moved to approve the minutes of the April 17, 2019 Board Meeting. Dave Bouve seconded the motion, which passed unanimously.

Treasurer's Report

The current Balance Sheet (as of April 30) and the May 14, 2019 Profit & Loss YTD statement were distributed to Board members by Liz Bialas. Spending is on track. Twenty-one homes still owe annual dues, and six extensions have been approved.

Committee Reports:

POOL – see Wayne Johnson's attached list of work completed since the last meeting. Attachment A to these minutes.

GROUNDINGS – Stadler tree planting will be delayed to fall as weather is getting warmer which will require additional watering to allow trees a better chance to thrive. Nave Landscaping has completed the additional tree cleanup at the common areas but additional limbs had fallen since and they came back to clean the majority of those. Peter will look at branch at north side of the neighborhood entrance at Georgia Avenue.

TENNIS/HOCKEY – No report. Jim will be moving from the area and a new committee chairperson will be needed to fill his position.

ARCHITECTURAL – Violations have been issued from the neighborhood review and are being responded to. The two condemned/abandoned houses in the neighborhood are currently being remodeled.

GOCA – No report. The proposed antenna at Georgia Ave and the toll road will not be moving forward due to opposition from the Olney area. A new location is being pursued.

NEWSLETTER – Nothing to report.

SOCIAL – Easter egg hunt was the usual success. Well attended by the neighborhood. The next event will be the pool opening party on the Saturday before Memorial Day.

OLD BUSINESS:

Queen Elizabeth Speed Hump Meeting. A meeting was held at the poll on 5/14/19 with the county and members from the Brookeville Knolls neighborhood regarding the installation of speed humps on Queen Elizabeth between Heritage Hills and Georgia Ave. This is an attempt to slow traffic on Queen Elizabeth and could also decrease the amount of traffic on Queen Elizabeth. The County will require directly affected residents (those in Tanterra directly on Queen Elizabeth as well as certain Brookeville Knolls residents) to vote on approving the measure to install the speed humps. Overall time frame for installation will be at least 6 months.

A board member presented an “Agreement to Serve” pledge in response to a homeowner’s request that the Board be required to sign a pledge in lieu of the CCOC recommendation to have the board members sign a Code of Conduct and Ethics. As there was no motion by the Board to adopt this requirement, the issue was dropped.

No additional information was presented on the election stay.

NEW BUSINESS

The Board announced that George Siarkas was awarded the Dick Cole Memorial Scholarship this year. Congratulations George!

The neighborhood yard sale will be held May 18th.

Neighborhood Watch meeting to be held 5/23/19 at 7:30 at the pool.

Jim Cagley and Wayne Johnson attended the April 3rd CCOC meeting and Jim Cagley reported the following: (1) There is no set protocol for keeping meeting minutes for HOA meetings. Some HOA’s keep very detailed minutes while others are not detailed. (2) Homeowners cannot file a class action suit against their HOA. (3) Too many formal complaints to the CCOC by homeowners regarding their HOA Board of Directors can result, and have resulted in the past, in insurance companies either raising the insurance premium or dropping the insurance coverage all together. (4) The CCOC has updated their website.

There were 14 contracts, purchase orders, invoices, agreements, and/or estimates for expenditures, related to the common areas and their operations that were delineated and presented for Board ratification. See attached list (Attachment B to these minutes) for specifics. The list was reviewed. Jim Cagley made a motion to accept these expenditures, Glenn Wasik seconded the motion and it passed unanimously.

Discussion was held to set dollar spending limits by the committee chairpersons without the Board’s approval provided that the committee is within budget. Additional discussion will be held at next month’s meeting.

Following his discussion with the CCOC, Jim Cagley made the motion that the Board adopt a policy (effective immediately) that any records request, financial information request, etc. from a homeowner must be received via US Mail to the Tanterra PO Box as opposed to email. Jim Frye se-

conded the motion and it passed unanimously.

Jim Cagley moved that the Board adopt a policy (effective immediately) that gives the authority to any board member to execute a non-disclosure agreement on behalf of the HOA when giving requested documents to a homeowner, with the understanding that he or she reports the execution of said agreement at the next Board meeting. Glenn Wasik seconded the motion and it passed unanimously.

HOMEOWNER'S FORUM

A homeowner volunteered to be part of an advisory group to review and update the community By-laws and Articles of Incorporation.

Corrective work to remove the gravel added by certain homeowners on Brookepark Terrace is underway as required by the County.

A homeowner suggested using Venmo, PayPal or other electronic payment methods for social events and/or HOA Dues. There was a concern that these are not 100% secure, and that there is an associated fee to the HOA.

A homeowner questioned whether an alcohol permit was obtained for last 4th of July.

A homeowner requested changing the architectural rule regarding using gloss paint on the exterior of homes and will send additional information to the Architectural Committee.

A homeowner requested information on minutes from BOD closed sessions. It was explained that due to the sensitive nature of these discussions, these minutes are not automatically available to homeowners. The BOD believes it is making a good faith effort to comply with the requisite procedures.

There being no further business, the meeting was adjourned at 9:00 pm.

Submitted on behalf of Richard J. Bertin, Secretary (richardbertin@verizon.net).

The Tanterra Homeowners Association monthly Board meeting was called to order at 7:30 pm by President Glen McEwen.

Introduction

Following introductory remarks by President McEwen, Board business proceeded in accordance with the agenda distributed.

Minutes

Wayne Johnson moved to approve the minutes of the May 15, 2019 Board Meeting, as amended. Glenn Wasik seconded the motion, which passed unanimously.

Treasurer's Report

The current Balance Sheet (as of June 30) and the July 17, 2019 Profit & Loss YTD statement were distributed to Board members by Liz Bialas. Spending is on track. 2018 Tax Return has been filed. The status of dues payments and pending liens (now four) was provided.

Committee Reports

Pool Committee:

Chairman Wayne Johnson reported that the pool has been opened and lights are on timers. There has been an increase in plumbing costs. A new refrigerator had to be purchased. Glenn Wasik moved to approve the refrigerator purchase for \$3,8016.00, with ½ of the cost to be paid by the Pool Sports Activities Fund. Jim Cagley seconded the motion, which passed unanimously. A new deck was built at the pool at no cost to the HOA with donated supplies and labor. Jim Cagley moved to accept the deck as an asset of the HOA. Erwin Hesse seconded the motion, which passed unanimously.

Grounds Committee:

Peter Szwec reported on the status of the proposed dog waste station near the tennis courts. The County will place

a can for pet waste near the tennis courts and maintain it free of charge for the first year, with charge of approximately \$12 per month after then. Wayne Johnson moved to approve the placement of the dog waste station. Dave Bouve seconded the motion, which passed unanimously. Peter also reported on the status of the study regarding “speed bumps” on Queen Elizabeth Drive between Heritage Hills and Georgia Avenue, in response to residents’ complaints from Tanterra and Brookeville Knolls developments, following the County’s public presentation on the topic.
